

Guidelines for Transferring Assets:

Thank you for your interest in making a gift of publicly traded securities to Parkinson Society Canada (PSC). Please see below our guidelines for transferring securities and mutual funds directly to PSC.

Donors may make gifts of publicly traded shares, including stocks, bonds, t-bills, etc that are traded on approved stock exchanges in Canada and certain other countries. Mutual funds are also eligible.

1. If the securities are in a brokerage account, they may be transferred by instructions from the donor to transfer the securities from their account to Parkinson Society Canada.
2. A donor who holds securities certificates may present the endorsed certificate with the signature guaranteed by the bank or the donor's broker, or an unendorsed certificate and signed stock or bond Power of Attorney with the signature guaranteed. These may be mailed to Parkinson Society Canada in advance of the closing if due precaution is observed, that is, mailing the unendorsed certificates and the stock or bond Power of Attorney separately. Re-registering the securities to Parkinson Society Canada is not recommended, as re-registration can take more than two weeks in which time the value of the securities can change. (See point #5, following.)
3. To transfer mutual fund shares, the donor sends a letter of instruction to the Fund Company and must sign documents provided by the Fund Company. A letter of instruction states: "I request that XXX Fund immediately transfer xx shares from my account #xxx and into the name of Parkinson Society Canada. Do not sell or redeem this donation from my account."
4. To receive the full tax benefits always ensure that the securities are first transferred to Parkinson Society Canada. Please make sure that the brokerage house receives explicit instructions to transfer stock to Parkinson Society Canada investment account and not to sell the securities first. Our investment account is as follows:

BMO Nesbitt Burns Account #: 365-8901313 Dealer code:
9185, FINS# T009, CUID# NTDT, DTC# 5043. Our
Investment Advisor is: Oscar Signoretti (416) 359-4611
5. Upon completion of the transaction, Parkinson Society Canada will provide the donor with a charitable tax receipt for the fair market value. In the case of stocks and bonds, fair market value is the closing price on the date the gift is transferred to the Parkinson Society Canada account. For mutual funds, it is the "bid" price on the date the gift is transferred to the Parkinson Society Canada account. If there is no closing or bid prices on that day, use the closing or bid prices on the last preceding day for which there were closing or bid prices.
6. It is the responsibility of the donor's broker to inform the Parkinson Society Canada of the donor's contact information for tax receipting purposes. Should the donor wish to remain anonymous their gift will **not** be published or publicly announced

Should you require any other information, please feel free to call me, Jim Allen, ACFRE, at 1-800-565-3000 ext 3385.

Thank you for considering donating securities.
