Nominee _____ Nominator _____

Please provide the following information on separate 8.5 x 11 pages. Please do not bind the information as we need to copy it.

1. Describe how the nominee has demonstrated excellence in the fight against Parkinson's through exemplary leadership, resulting in provision of a unique contribution to the lives of people living with Parkinson's. Please comment on the award criteria of leadership, vision, community-building, inspiration to action, provision of hope, purpose, and empowerment and commitment and dedication to people with Parkinson's.
2. Nominee's background, career and current work, including all volunteer work, education awards and any other notable achievements that will provide the selection committee with a clear picture of your nominee. (A current C.V. would be acceptable).
3. Enclose three letters of support for the nomination. Each letter should include complete contact information for the person writing the letter, and detailed reasons for supporting the nomination.

Please submit completed form with all supporting documentation to:
