

I have Parkinson's...

Please don't assume that I am rude, uncooperative, cognitively impaired or intoxicated.

My symptoms can affect my movement, appearance and behaviour.

I may not be able to control my movements; sometimes I may not be able to move at all.

My speech may be slurred or very soft.

I may have difficulty showing emotions.

Doctor's name and telephone:

'Get it on time' is a national program of Parkinson Society Canada

Based on a design and text created by Parkinson's UK.

MY PARKINSON'S
MEDICATION CARD

I need my medication
on time — every time.

Parkinson Society Canada
Société Parkinson Canada

MEDICATION	DOSAGE	TIME	MEDICATION	DOSAGE	TIME
1			9		
2			10		
3			11		
4			12		
5			13		
6			14		
7			15		
8			16		

I take the medications listed on this card. They must be taken on time or my symptoms will get worse.

If my schedule is disrupted I may become very ill — it may take hours, days, or even weeks for me to stabilize.

Help me get my meds **on time — every time.**
