

## **Mimi Feutl Award Award Description**

This award is intended for an individual who, through compassion and provision of information and support, has made life better for individuals living with Parkinson's and their families. The recipient of the award will exemplify the compassion, energy and unwavering commitment of Mimi Feutl, former Director of Patient Services with the Parkinson Foundation of Canada for over 22 years, to people with Parkinson's and their families. The ability to respond to all requests for information and support, while ensuring and respecting the dignity and individuality of all who seek support, are important characteristics of the recipient.

### **Nomination Process**

Parkinson Society Canada will accept written nominations for the 2012 award no later than **March 31, 2012**. Subsequent nominations will be considered the following year. To receive a nomination form, please contact Parkinson Society Canada, or visit the web site at [www.parkinson.ca](http://www.parkinson.ca).

Please complete the nomination form and submit to:

**Mimi Feutl Award Selection Committee**  
**4211 Yonge Street, Suite 316**  
**Toronto ON M2P 2A9**

### **Who is eligible?**

Any Canadian resident whose efforts are characterized by the following:

- Provision of compassionate and responsive care to people with Parkinson's and their families for many years.
- Respect for the unique and individual needs people have for support and information.
- Length of service and commitment to the Parkinson cause.

### **Selection Process**

Completed nomination forms will be reviewed by a selection committee of Parkinson Society Canada. The committee may request additional information about nominees.

### **Form of the Award**

The recipient will receive a certificate as well as recognition of his/her efforts, including a press release announcing the specific winner and outlining their accomplishments.

### **Timing**

Nominations will be encouraged and a recipient determined by the selection committee annually.
